Stomach Troubles.

Many remarkable cases of stomach troubles have been effected by Chamberlain's Stomach and Liver Tablets. One man who had spent over two thousand dollars for medicine and treatment was cured by a few boxes of these tablets. Price, 25 cents. Samples free at W. F. Craghton & Co. and Richard F. Gibson.

ANOTHER MONSTER.

The British admiral, having eclipsed the Dreadnought class of battleships by the St. Vincent, will start in September to eclipse the latter, laying down at Portsmouth a new leviathan, with heavier armament and greater displacement. The St. Vincent, which will be launched in October, 1909, is of 19,250 tons and cost about \$15,500,000. The new battleship will probably be of 21,000 tons and will cost \$11,250,000. She is intended to be completed for sea in 18 months after her keel is laid.

It is stated she will have two novel and important features. Instead of 12-inchers, which are now the largest guns used in the fleet, she will mount weapons of the new 13.5 type, which have been for some time the subject of experiment. The other feature will be her equipment with gas engines, by using which no smoke will be made, and therefore the new ship will have no funnels. It is recalled that Mr. McKeechie, of Vickers' Sons & Maximo, announced some time ago that that firm had developed the gas engine to such a stage that it could be employed on a warship. The admiral engineers have since been considering this engine, and have apparently adopted it.

A BOY'S CRUEL ACT.

While Miss Catherine McCormick, thirty-eight years old, was sitting on a bench in Rose Hill Park, near Fordham station, New York, yesterday afternoon, several persons saw a half-grown boy slip up behind her with a big bundle of newspapers in his two hands. The boy pulled the papers in a heap underneath and behind the woman, and before anybody divined his purpose he had touched a match to the heap and was running away. As the flame sprang up Miss McCormick's light summer gown ignited. With a scream she leaped to her feet and stumbled wildly across the lawn, tearing at her garments with her hands. Before she had gone twenty feet she fell, with her hair ablaze and her clothing dropping from her in charred wisps. The woman is dying at the Fordham Hospital.
